

Be a part of the Celebration!

Pentecost Sunday, June 8th

During the annual meeting of the Southern Baptist Convention in Orlando, Florida, June 2000, a motion was made that “We as Southern Baptists place the day of Pentecost on...our calendars, to be celebrated on the Sunday closest to that day.” The Day of Pentecost is one of the major holidays of the church, right up there with Christmas and Easter. For many reasons (and especially because it usually falls at the beginning of summer) Pentecost Sunday is largely neglected. We hope to change that at Levy Baptist. How do you dress for such an occasion? No, there’s no dress code, but many members of our church began a new tradition, a few years ago, of observing the custom by wearing red, orange or yellow. The church filled with the people of God radiant in fire colors, is a sight to behold! Whatever we wear on the outside, may the Holy Spirit adorn us with joy and radiant beauty on the inside! Most importantly, your attendance at church on Pentecost Sunday will help us underscore the importance of this day. Come and help us to truly celebrate this important Christian holiday in the life of the church.

Join Us This Evening at 6:00 p.m.

You are warmly invited to the sanctuary tonight as we welcome Dr. Cheryl White, esteemed scholar and speaker, for a compelling presentation on the mystery and history of the Shroud of Turin.

Following the service, we invite you to Waymack Hall for a time of sweet fellowship, featuring strawberry shortcake served in celebration of our inaugural Strawberry Social.

We look forward to seeing you there for an evening of inspiration, discovery, and delight.
