S.N.A.C.—Birthday Celebration

In the Library

American adventurer and adventure writer Dugard tells how British explorer David Livingstone (1813-73) sought the source of the Nile in the 1860s and 1870s, and how American reporter Henry M. Stanley went looking for him when he had been gone some time longer than expected.

We would like to invite all church members to a special reception honoring those who have birthdays in June.
